

An Ergonomic Solution with All the Essentials

Migration SE is a height-adjustable desk that delivers value, performance and user wellbeing. Supporting a broad range of applications, it's a simple, reliable solution that provides workers the ability to choose between seated or standing postures throughout the day.

PRIVACY OPTIONS

Universal and Sarto screens can be used on Migration SE, in either privacy or privacy/modesty configurations.

Privacy screen

Privacy/modesty screen

CONTROLLER OPTIONS

Migration SE comes with either the up/down controller or 4-preset controller with a digital display.

Up/down controller

4-preset controller

STORAGE

Integrated storage optimizes shrinking workspaces and still provides full access to storage.

Integrated storage

1H available for use with Extended Height, 1.5H available for use with Basic Height

FOOT STYLES

The squared-edge foot and mitered-edge foot are flush to the floor to fit mobile storage over the feet.

Squared-edge foot

Mitered-edge foot

CABLE MANAGEMENT

Optional cable management can be added to manage cords under the worksurface and down to the floor.

Cable brackets

Cable riser with leg connection

Steelcase Universal Cable Management Kit
