

Universal Tables Systems Solutions

Steelcase

Universal Tables

Tables that fit your space, your vision, and your budget.

Universal Tables are a great way to complete any setting—from conference rooms, training areas and café settings to individual workspaces. With a clean, simple aesthetic, Universal Tables are fully compatible with U-Free desks and Universal Worksurfaces.

Round Table
Laminate surface
Black painted column and X base

Round Table
Veneer surface
Polished chrome column and X base

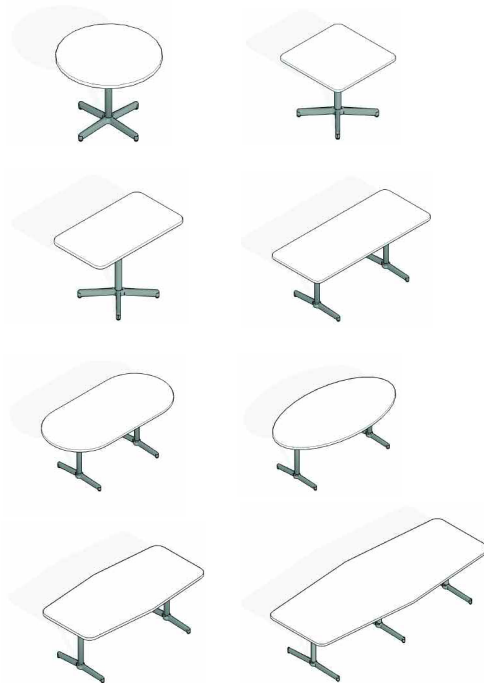

Hex Conference Table
Woodgrain laminate surface with matching edge
Platinum painted columns and T bases

Options:

- A variety of shapes help fit any space and complement your aesthetic vision; including round, square, rectangular, capsule, oval, hex conference tables and more.
- Sizes range from 30" round tables to 180" long conference tables.
- Durable high-pressure laminates are perfect for high-traffic areas like conference rooms and café settings. Woodgrain laminates are available with matching woodgrain plastic edge.
- Wood veneer tables add a touch of class to a space.
- T and X pedestal bases are available, along with several styles of legs with a choice of glides or casters.
- Bases and legs are available in painted or polished chrome finishes.
- Pedestal base tables are 28 ½" high. Tables with legs are available at various heights.
